NOW, THEREFORE, the Parties agree as follows:

#### I. Terms

The following terms apply as of the effective date, as defined below:

- A. Except to the extent different terms or prices are specified in this Contract, applicable provisions of the Domestic Mail Manual (as may be regularly updated by the Postal Service and posted at http://pe.usps.com/text/dmm300/dmm300\_landing.htm) and of other postal laws and standards, including USPS Publication 52 Hazardous, Restricted, and Perishable Mail, apply to mail tendered under this Contract.
- B. This Contract applies to Customer's inbound and outbound packages (collectively "Contract Packages"), as follows:
  - Priority Mail Express weight-based packages that do not exceed
     Priority Mail Express Flat Rate Envelopes
     Priority Mail weight-based packages that do not exceed

- 6. Priority Mail Flat Rate Boxes

; and

Customer shall not extend pricing to a third party under this Contract, including commercial published pricing for the products defined in Section I.B, or any prices below commercial published pricing.

- C. Customer will manifest Contract Packages as specified by the Postal Service, using a separate permit number and/or PC Postage account to ship such packages, and will use the Electronic Verification System ("eVS"), other USPS approved manifest systems, or USPS approved PC Postage vendors for payment of such packages. Customer shall provide the Postal Service, in writing, a list of its permit numbers and/or PC Postage accounts for approval. Contract pricing for any newly approved permits and/or PC Postage accounts will be effective within fifteen (15) business days after the Postal Service receives written notification from Customer. Only Contract Packages, and Customer's other Priority Mail Express and Priority Mail packages ("Total Packages"), shipped from authorized permits and/or PC Postage accounts shall count toward the volume commitment expressed in Section I.E.2 and Table B below.
- D. The Postal Service will provide Customer with Priority Mail Express standard packaging for Flat Rate Envelopes and Priority Mail standard packaging for Flat Rate Envelopes and Flat Rate Boxes only. Customized or Specialized packaging will not be provided.
- E. The terms and prices contained herein will take effect on the effective date as defined in Section II. The Contract Quarters are defined as:
  - Contract Quarters. "Quarter(s)" or "Contract Quarter(s)", refer to the periods as follow in Table A.

Table A

Period Name	Start of Period	End of Period
Quarter 1	July 1st	September 30th
Quarter 2	October 1st	December 31st
Quarter 3	January 1st	March 31st
Quarter 4	April 1st	June 30th

 Tier threshold. As outlined in Table B below and excluding the Implementation Period as described in Section I.F., the following quarterly average volumes must be met in order to achieve the applicable Contract Package prices in Section I.H.

- F. From the effective date of the Contract through the end of the first full Contract Quarter ("Implementation Period"), and for the Contract Quarter following the Implementation Period, Customer will pay Tier 2 prices for Contract Packages, pursuant to Tables 3 and 4, respectively. Customer will be exempt from the minimum average defined in Table B above during the Implementation Period. Following the Implementation Period, subsequent tier pricing will be determined by the quarterly average of Total Packages shipped during the term of this Contract, not to include the Implementation Period. If the quarterly average of Total Packages shipped falls below the minimum volume set for Tier 1 pricing, the Postal Service in its sole discretion has the right to revert Customer to the most current Priority Mail Express Commercial Plus and Priority Mail Commercial Plus prices for the subsequent Contract Quarter.
- G. Customized prices for this Contract will be based on a rolling four (4) quarter average. Following the Implementation Period, the average will be based on the number of Total Packages shipped divided by the number of full quarters achieved not to include the Implementation Period. At the conclusion of the first four (4) full quarters, following the Implementation Period, pricing for subsequent quarters will be calculated by the number of Total Packages shipped in the previous four (4) quarters divided by four (4). At the conclusion of each quarter, the Postal Service will calculate the number of Total Packages and the number of applicable quarters to calculate and apply the appropriate rate table within fifteen (15) calendar days of the conclusion of that quarter. Table C below illustrates the method in determining tier level and corresponding prices.

Upon both Parties agreement of the extension, the escalation clause will be implemented in Section I.I, throughout the extension period.
